

The Saugus High School Athletic Department hosted its second annual "Swing for Saugus High School Athletics" golf tournament on June 27th at the Ferncroft Country Club. This event was a huge success! The event was well attended by school/town personnel, teachers, coaches, alumni, police, DPW, and many friends of SHS Athletics.

I would personally like to thank everyone who played and contributed to the success of the event. This was a group effort, as every athletic program contributed in some way to help raise money for the student-athletes at Saugus High School. The tournament had over 30 foursomes and everyone had a great time. I would also like to give a special thank you to Wheelabrator who generously donated the tournament gift, in which; the 125 golfers all received a beautiful polo shirt. I would like to give a special thank you to Julie Mitchell, wife of SHS golf/hockey coach Jeff Mitchell, for her countless hours in helping coordinate this event. Julie helped in every way and the event couldn't have been such a success without her contributions. I would like to thank volunteers, Stacy Tait, Caroline LoPresti, and Christine Hyde for helping during the golf tournament.

There were many local companies/families that generously donated to the tournament and their donations are greatly appreciated. Thank you to:
